

The 10th International Conference on Behavioural and Social Computing (BESC-2023)

Preface

This volume contains the papers presented at BESC 2023: The 10th International Conference on Behavioural and Social Computing, held between 30 October - 1 November 2023, in: Golden Bay Beach Hotel, Larnaca, Cyprus.

There were 84 submissions (5 additional submissions were desk rejected) from 31 countries. Each submission was reviewed by at least 3, and on average by 3.15 program committee members. The committee accepted 25 regular papers (acceptance rate 29.8%) and 16 short papers. The program of the conference also contains 3 conference keynote speeches, and a panel discussion. There were in total 8 technical sessions in the program and a Doctoral Symposium with 2 accepted papers. BESC has been running since 2014. Previous conferences were held in Shanghai, China (2014); Nanjing, China (2015); Durham, USA (2016); Krakow, Poland (2017); Kaohsiung, Taiwan (2018); Beijing, China (2019), Bournemouth, UK (2020), Doha, Qatar (2021), and Matsuyama, Japan (2022).

We would like to acknowledge the time and effort of the 66 Programme Committee members. We would also like to thank the sponsors of the conference: IEEE Computational Intelligence Society, IEEE System, Man, Cybernetics Society for Technical sponsorship; IEEE Proceedings Publication. Finally, we would like to thank Easy Conferences LTD for their help with managing the conference logistics.
