

## Network Topology

## USA: Network Topology

## Cyprus: Network Topology

Application: FTP (High load)

File size: 1000000bytes

The screenshot shows a network configuration interface with several overlapping windows. The background is a map of Europe and the Middle East. Two 'APPL' icons are visible in the top left. The windows are:

- (applications) Attributes**: Shows a list of attributes for the 'utility' type. The 'Application Definitions' attribute is highlighted with a value of '(...)'.

Attribute	Value
name	applications
Application Definitions	(...)
MOS	
Voice Encoder Schemes	All Schemes
- (Application Definitions) Table**: A table listing application definitions.

Name	Description
ftp (high load)	(...)
- (Description) Table**: A table listing various service attributes.

Attribute	Value
Custom	Off
Database	Off
Email	Off
Ftp	(...)
Http	Off
Print	Off
Remote Login	Off
Video Conferencing	Off
- (Ftp) Table**: A table showing specific FTP parameters.

Attribute	Value
Command Mix (Get/Total)	100%
Inter-Request Time (seconds)	exponential (60)
File Size (bytes)	constant (1000000)
Symbolic Server Name	FTP Server
Type of Service	Best Effort (0)
RSVP Parameters	None
Back-End Custom Application	Not Used

## Profile

The screenshot displays a software interface with a map background. Two windows are open:

- (profiles) Attributes**: A window with a "Type" field set to "Utilities". It contains a table with the following data:

Attribute	Value
Profile Name	profiles
Profile Configuration	[...]
- (Profile Configuration) Table**: A table with the following data:

Profile Name	Applications	Operation Mode	Start Time (seconds)	Duration (seconds)
Profile	[...]	Simultaneous	uniform (100,110)	End of Simulation

Below the (Profile Configuration) Table is an **(Applications) Table** with the following data:

Name	Start Time Offset (seconds)	Duration (seconds)	Repeatability
ftp	uniform (5,10)	End of Profile	Unlimited

At the bottom of the interface, there are buttons for "Delete", "Insert", "Duplicate", "Move Up", and "Move Down". A "Rows" field shows the number "1".
